

ROBLOX MUTUAL NONDISCLOSURE AGREEMENT

This Mutual Nondisclosure Agreement (“**NDA**”) is made and entered into as of the last date identified below (the “**Effective Date**”) between Roblox Corporation and its Affiliates (“**Roblox**”), and the participant identified below (“**Participant**”).

1. **Purpose.** The parties wish to explore a business opportunity of mutual interest and have ongoing conversations until the end of the term of this NDA, and in connection with this opportunity, each party may disclose to the other certain confidential technical and business information that the disclosing party desires the receiving party to treat as confidential. The Participant may also assist Roblox to design, research, develop, build, and improve its current and future products and services through the Community Feedback Program (the “**Purpose**”).

2. “**Confidential Information**” means any information disclosed by either party to the other party, directly or indirectly, in writing, orally, or by inspection of tangible objects (including documents, prototypes, samples, plant, and equipment), which is designated as “Confidential,” “Proprietary,” or some similar designation, or any information, whether labeled as such or not, which should reasonably be understood as confidential. Confidential Information will not, however, include any information that (i) was publicly known and made generally available in the public domain prior to the time of disclosure by the disclosing party; (ii) becomes publicly known and made generally available after disclosure by the disclosing party to the receiving party through no action or inaction of the receiving party; (iii) is already in the possession of the receiving party at the time of disclosure by the disclosing party, as shown by the receiving party’s files and records; (iv) is obtained by the receiving party from a third party without a breach of the third party’s obligations of confidentiality; or (v) is independently developed by the receiving party without use of or reference to the disclosing party’s Confidential Information, as shown by documents and other competent evidence in the receiving party’s possession.

3. **Non-use and Nondisclosure.** Each party will not use the other party’s Confidential Information for any purpose except to evaluate and engage in discussions concerning a potential business relationship between the parties. Each party will not disclose the other party’s Confidential Information to third parties or to such party’s employees, except to those employees of the receiving party and its Affiliates and such Affiliates’ employees (collectively “**Representatives**”) who are required to have the information in order to evaluate or engage in discussions concerning the contemplated business relationship. “**Affiliate**” means an entity that controls, is controlled by, or is under common control with the receiving party, where “control” means the direct or indirect ownership of more than fifty percent (50%) of the voting securities or other ownership interest of such entity or receiving party provided that receiving party or entity shall be deemed an Affiliate only so long as such Control exists. A party may disclose the other party’s Confidential Information if required by law so long as the receiving party gives the disclosing party prompt written notice of the requirement prior to the disclosure and assistance in obtaining an order protecting the information from public disclosure. Neither party will reverse engineer, disassemble, or decompile any prototypes, software, or other tangible objects that embody the other party’s Confidential Information and that are provided to the party in accordance with this NDA.

4. **Maintenance of Confidentiality.** Each party will take reasonable measures to protect the secrecy of and avoid disclosure and unauthorized use of the other party’s Confidential Information. Without limiting the foregoing, each party will take at least those measures that it takes to protect its own most highly confidential information and, prior to any disclosure of the other party’s Confidential Information to its Representatives, will ensure that Representatives are subject to

confidentiality terms that are substantially similar in content to this NDA. The receiving party shall be liable for any non-compliance by any Representative of such obligations. Neither party will make any copies of the other party’s Confidential Information unless approved in writing by the other party. Each party will reproduce the other party’s proprietary rights notices on any approved copies.

5. **No Obligation.** Nothing in this NDA will obligate either party to proceed with any transaction between them, and each party reserves the right, in its sole discretion, to terminate the discussions contemplated by this NDA.

6. **No Warranty.** ALL CONFIDENTIAL INFORMATION IS PROVIDED “AS IS.” NEITHER PARTY MAKES ANY WARRANTIES, EXPRESS, IMPLIED, OR OTHERWISE, REGARDING THE ACCURACY, COMPLETENESS, OR PERFORMANCE OF ITS CONFIDENTIAL INFORMATION.

7. **Return of Materials.** All documents and other tangible objects containing or representing Confidential Information and all copies of them will be and remain the property of the disclosing party. Upon the disclosing party’s request, the receiving party will promptly deliver to the disclosing party all Confidential Information, without retaining any copies, provided that the receiving party is not obligated to return or destroy copies of Confidential Information if their retention is required for compliance with legal or regulatory compliance, or if the electronically stored Confidential Information cannot be retrieved without significant effort, subject always to the continued compliance of this NDA for as long as the receiving party is in possession of such Confidential Information.

8. **No License.** Nothing in this NDA is intended to grant any rights to either party under any patent, copyright, or other intellectual property right of the other party, nor will this NDA grant any party any rights in or to the Confidential Information of the other party, except as expressly set forth in this NDA.

9. **Term.** Subject to Section 7, the term of this NDA shall start on the Effective Date and expire three (3) years from that date. Either party may terminate this NDA at any time for any reason. Any sections that by their nature should survive, shall survive the expiration or termination of this NDA.

10. **Remedies.** Each party acknowledges that any violation or threatened violation of this NDA may cause irreparable injury to the other party, entitling the other party to seek injunctive relief in addition to all legal remedies.

11. **Miscellaneous.** This NDA will bind and inure to the benefit of the parties and their successors and assigns. This NDA will be governed by the laws of the state of California, without reference to conflict of laws principles and the Courts of such state shall have exclusive jurisdiction. This document contains the entire agreement between the parties with respect to the subject matter of this NDA. Neither party will have any obligation, express or implied by law, with respect to trade secret or proprietary information of the other party except as set forth in this NDA. Any failure to enforce any provision of this NDA will not constitute a waiver of that provision or of any other provision. This NDA may not be amended, nor any obligation waived, except by a writing signed by both parties. This NDA may be executed in two or more counterparts, each of which is deemed to be an original, but all of which constitute the same agreement. This NDA may be executed by exchanging emails that contain scanned copies of the signed NDA.

DATA COLLECTION INFORMED CONSENT

1. **Purpose.** We are pleased to invite you, (or your child, if applicable), to participate in a user research study (“**Study**”) conducted by Roblox Corporation (“**Roblox**” or “**We**”). The Study involves a product or feature that’s currently in development and will help us better understand the needs of our users. In order to participate in the Study, you on behalf of yourself, (and/or your child, if applicable), must acknowledge, accept and agree to the following (the “**Consent Form**”):
2. **Participation.** By participating in the Study you confirm that: (i) the undersigned is over eighteen (18) years old; (ii) participating in the Study will not violate any agreement with a third party, or create a conflict of interest between you (and/or your child, if applicable) and any third party, and (iii) if applicable, the undersigned is the parent and/or legal guardian of the child identified below.

Your participation (and your child’s participation, if applicable) in this Study is completely voluntary. You (or your child, if applicable) may choose to withdraw at any time during the Study without any penalty for any reason. You (or your child, if applicable) may also decline to answer any particular question for any reason. We and our researchers also have the right to end the Study at any time.
3. **Incentives.** To thank you (or your child, if applicable) for the time and effort in participating in the Study, we will offer you (or your child, if applicable) the incentive described in the screener form. The incentive is not compensation or consideration, and you will not receive any compensation or consideration for your participation (or your child participation, if applicable) in this Study. We offer the incentive to you “as is” without warranty or condition of any kind.
4. **Audio/Video/Photography.** This Study involves collecting audio, video, or photographs.
 - a. **Risks.** We are not aware of any physical or emotional risks or any risks to property associated with participation in the Study. However, you may feel uncomfortable or embarrassed while being photographed or filmed. You assume all risks of your participation in the Study, whether known or unknown, including, without limitation, any risk of injury or risk of damage to property.
 - b. **Consent for Self.** With your consent, we may capture your face, voice, physical features, mannerisms, likeness, and interactions through photography, screen recording, and audio/video recording during the Study session, for the Purpose. We may ask you to remotely share the device screen with the researchers to observe the interaction with the product or app.
 - c. **Consent for Child.** With your consent, we may capture your child’s face, voice, physical features, mannerisms, likeness, and interactions through photography, screen recording, and audio/video recording during the Study session, for the Purpose. We may ask your child to remotely share the device screen with the researchers to observe the interaction with the product or app.
5. **Study Data Use and Retention.** We may retain, use, or share Study data that does not personally identify you (or your child, if applicable) for any purpose and without limitation. We may retain your personal information (or your child’s personal information, if applicable) in the Study data as long as it is necessary for the Purpose. Any personal information in the Study data that could identify you (or your child, if applicable) such as name, email, video or demographic data may be shared internally for the Purpose.
6. **Personally Identifiable Information.** With your consent, we may collect and process personally identifiable information in accordance with this Consent Form and [Roblox Privacy and Cookie Policy](https://en.help.roblox.com/hc/en-us/articles/115004630823-Roblox-Privacy-and-Cookie-Policy) at <https://en.help.roblox.com/hc/en-us/articles/115004630823-Roblox-Privacy-and-Cookie-Policy>. For example, we may ask for your name, email address, phone number and other information that may identify you or your child, if applicable.
7. **Data Transfer.** You consent to Roblox processing Study data outside the country or region where the data is originally collected or where

- you are located, including in countries where you may have fewer rights in respect of your information than you do in your country of residence. Study data may be processed by Roblox in the United States and by Roblox affiliates and service providers acting on Roblox’s behalf outside of your country of residence.
8. **Data Storage and Protection.** We respect your privacy and use a variety of measures to protect your (or your child’s personal information, if applicable) or your personal information from unauthorized access and disclosure, in accordance with this Consent Form and Roblox Privacy and Cookie Policy at <https://en.help.roblox.com/hc/en-us/articles/115004630823-Roblox-Privacy-and-Cookie-Policy>.
9. **Sharing with Third Parties.** Roblox may want to share the Study data that personally identifies you (or your child, if applicable) with certain third parties such as Roblox affiliates and contractors who agree to meet our standards for protecting Study data and who have a need to access the Study data in furtherance of the Purpose.
10. **Roblox Confidential Information.** This Consent Form and any information provided to you (or your child, if applicable) by Roblox during the Study are confidential (the “**Confidential Information**”) in accordance with the above NDA. Consistent with the NDA, you agree to (i) use Confidential Information only for participation in the Study, (ii) use at least a reasonable degree of care to prevent any unauthorized use or disclosure of Confidential Information, and (iii) not photograph, record, share or otherwise disclose or permit to be disclosed any Confidential Information with anyone. Your duty to protect Roblox’s Confidential Information expires three years from disclosure in accordance with the terms of the NDA.
11. **Questions/Requests for Deletion.** If there are any questions or you wish to have your (or your child, if applicable) personal data contained in the Study data deleted, please email us at devrel-contacts@roblox.com. The subject of your email should be “User Experience Study Data Request,” and your email should include enough information (location, date, time, etc.) so that Roblox can identify the Study data collected from you (or your child, if applicable). Study data that contains or is linked to your personal information will be deleted as soon as reasonably practicable, unless otherwise prohibited by applicable legislation or legal process. Roblox may, in its sole discretion, retain Study data that does not personally identify you (or your child, if applicable) for a longer duration or for any future study.
12. **Feedback.** In the course of your participation in the Study, you (or your child, if applicable) may provide comments, feedback, ideas, reports, suggestions, data, or other information to Roblox relating to Roblox products and services (collectively “**Feedback**”). For clarity, Feedback is separate from and not part of the Study data. Roblox may use any Feedback without restriction to develop and improve Roblox’s current or future products and services. You agree that you will not disclose to Roblox any third-party information that you are otherwise obligated to maintain as confidential. Roblox has no obligation to use your Feedback (or your child’s Feedback, if applicable). You acknowledge that this authorization is intended to satisfy any and all of the consent requirements of California Civil Code sections 3344 and 3344.1 and statutes of similar effect, if applicable, and that you, on behalf of yourself and your assignees, heirs, guardians and legal representatives, hereby waive and release any and all claims that you may have or hereafter have against Roblox under those statutes or any other statutes or common law principles of similar effect.
13. **Release of Claims.** You on behalf of yourself and your assignees, heirs, guardians and legal representatives hereby release Roblox and any of its affiliated organizations, directors, officers, employees, agents, representatives, contractors, principals, stockholders, successors and assigns from all actions, claims, losses, liabilities or demands that you or your assignees, heirs, guardians and representatives may have for any injury, illness damage or death, that now exist, may exist, or previously existed, whether known or unknown, foreseen or unforeseen, or suspected or unsuspected, arising from or relating to the Study. You have been made aware of, and understand, the provisions of California Civil Code Section 1542 (“**Section 1542**”), which provides:

Docusign Envelope ID: 9E0B90ED-92F5-4548-9228-538718397290
A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

You expressly, knowingly, and intentionally waive any and all rights, benefits, and protections of Section 1542 and of any other state or federal statute or common law principle limiting the scope of a general release.

14. **General Provisions.** Unless applicable law requires otherwise: (a) this Consent Form is governed by the laws of the State of California, excluding its conflict-of-laws principles; and (b) the exclusive venue for any dispute relating to this Consent Form will be San Mateo County, California. Any amendments must be in writing. Failure to enforce any of the provisions of this Consent Form will not constitute a waiver. This Consent Form does not create any agency or partnership relationship. If any term (or part of a term) of this Consent Form is invalid, illegal or unenforceable, the rest of the Consent Form will remain in effect. You should contact your local data protection authority or legal representative if you have concerns regarding your rights under local law.
